I'm sure you've all heard the saying "the professional for the job is always 100 miles away".

Well, you don't have to look that far. Creative Impact Design has been offering high quality, unique and tailored images for companies in the lakes area for nearly 20 years.

Commercial and portrait photography has been a large part of Creative Impact Design's success in producing advertising materials for companies large and small. From brochures and direct mail to annual reports and trade show displays.

We shoot with high quality digital equipment and back it up with over 20 years of digital retouching experience, the best around. If you can imagine it, we can do it. We're a one-stop-shop.

Let us help improve your image and experience the best service around. Give us a call at 320-762-5464.
